Liability

The information contained herein is based on technical data that Reipa Trading SA (later on called Reipa) believes to be reliable and accurate, but disclaims any warrant or guarantee, express or implied. Reipa reserves the right to change information contained herein without prior notice. Any information included herein taken solely or as a whole, does not suggest in any way the product is of satisfactory quality or is adequate for a particular purpose. The purchasing party is not released from the burden of carrying out his own tests and experiments. Because conditions of use of this product are outside our control, Reipa excludes any legal or other liability for the use of this information or any part of it, whether or not based on Reipas negligence, and therefore Reipa shall not be liable for any damages (special, direct, indirect, consequential damages) relating to the use of this information or the use of the product referred herein, solely or in combination with other products. Consequently all liability on the part of Reipa is excluded. Furthermore, our sales and delivery conditions will apply accordingly.
